

Dear Prospective Texas Lyceum Supporters,

Each year the Texas Lyceum highlights dynamic cities in Texas, hosting conferences 4-5 times a year. The Texas Lyceum is proud to announce that its first conference of 2024, **Water: A Deep Dive on Texas' Most Precious Resource will be held in Texarkana, Texas from February 1-3, 2024.** Texas is leading the nation in population growth with more than 1,400 new residents moving to Texas each day. This hypergrowth challenges Texas' ability to stay at the top of the rankings in economic development, job creation, and a high quality of life for all Texans. From rural Texas to the largest metropolitan areas, water is a resource that all Texans depend on each day. This conference will highlight the current challenges and opportunities on water delivery, access, infrastructure, and funding, as well as several other key discussion areas in environment and access.

The Texas Lyceum is the Lone Star State's premier nonprofit, nonpartisan leadership organization. With a deep commitment to the future of Texas, we bring together diverse perspectives and expertise for the education and understanding of state and national issues, so we might promote the stewardship of Texas values, traditions, and resources. Our hope is to drive public policy decisions through inspired, robust, and civil discourse. At any given time, there are a diverse group of 96 men and women who make up the Texas Lyceum Board of Directors from across the state.

Notable Texas Lyceum alumni include President George W. Bush, U.S. Senators Ted Cruz and Kay Bailey Hutchison, Governors Greg Abbott and Rick Perry, U.S. Congressmen Chris Bell, Henry Cuellar, Pete Gallegos, Marc Veasey, Sheila Jackson Lee, Chancellor John Sharp, Speaker Dade Phelan, and countless others who have gone on to major elected and appointed public service accomplishments.

In order to make this event successful and to highlight the excellence of Texarkana, USA, the Texas Lyceum greatly appreciates your consideration of sponsorship for this event. In fact, all Texas Lyceum conferences depend on sponsorship from businesses and organizations in each host city. Please see the attached sponsorship page with additional details and hope you will consider supporting the Texas Lyceum in 2024.
